INDEPENDENT ACCOUNTANT'S REPORT

To the Board of Directors
IVUmed, formerly
International Volunteers in Urology, Inc.
3269 South Main Street, Suite 230
Salt Lake City, UT 84115

We have reviewed the accompanying statement of financial position of **IVUmed, formerly International Volunteers in Urology, Inc.** (a non-profit organization) as of March 31, 2010 and the related statements of activities, functional expenses, and cash flows for the year then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the Organization's management.

A review consists principally of inquiries of the Organizations personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

**IVUMED, FORMERLY
INTERNATIONAL VOLUNTEERS IN UROLOGY, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2010**

Note 1 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This summary of significant accounting policies of IVUmed, formerly International Volunteers in Urology, Inc. (the Corporation) is presented to assist in understanding the Corporation's management, which is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Business Activity - IVUmed, formerly International Volunteers in Urology, Inc. is a non-profit corporation, originally incorporated under the laws of the State of Georgia in November 1995. The Corporation relocated to Salt Lake City, Utah during the year ended December 31, 2000 and was registered in the State of Utah, Department of Commerce, Division of Corporations & Commercial Code on April 28, 2006. The Corporation is committed to making quality urological and other health care available to people worldwide. In fulfilling this mission, the Corporation provides medical and surgical education to physicians and nurses and treatment to suffering children and adults, while providing much needed surgical service. The Corporation derives its revenue from donations (cash and non-cash) from the general public.

Accounting - The financial statements of the Corporation have been prepared on the accrual basis of accounting.

Basis of Presentation - The Corporation has adopted FASB Accounting Standards Codification: Topic 958 for Not-For-Profit Entities; Subtopic 205 for Presentation of Financial Statements; Section 05 for Overview and Background, "Financial Statements of Not-for-Profit Organizations." Under FASB ASC 958-205-05, the Corporation is required to present a complete set of financial statements, including a statement of cash flows, and to group expenses according to the purpose or function for which costs are incurred (rather than natural category). The primary functional classifications are: Program Services and Supporting Activities, such as Management & General and Fund-Raising. The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

FASB ASC 958-205-05 also requires that the various funds be categorized into three distinct categories of net assets. Accordingly, Net Assets are reported in three classes (unrestricted net assets, restricted net assets and permanently restricted net assets) based upon the existence or absence of

donor-imposed restrictions and the nature of those restrictions. The Corporation has not received any contributions with donor-imposed restrictions that would result in permanently restricted net assets.

In-Kind Donations - Contributions of donated non-cash assets meet the requirements of FASB ASC 958-205-05 and are, therefore, recorded at their fair values in the period received.

Volunteer Services - The Corporation received a significant amount of donated services, \$866,300 from unpaid medical volunteers who assisted in providing medical care and training, and \$460,500 of other non-medical services. These amounts have been recognized in the statement of activities because the criteria for recognition under FASB ASC 958-205-05 has been satisfied.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Property & Equipment - The Corporation follows the practice of capitalizing all expenditures for furniture and medical equipment in excess of \$1,000; the fair value of donated fixed assets is similarly capitalized. Depreciation is calculated over the estimated useful lives of the assets. The estimated useful lives of the furniture and medical equipment range between three and seven years. Depreciation expense for the period ended March 31, 2010 was \$52,464.

Income Taxes - The Corporation is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code and therefore has made no provisions for federal income taxes in the accompanying financial statements. There was no unrelated business income for the period ended March 31, 2010.

Cash and Cash Equivalents - Cash and cash equivalents consist of deposits with Wells Fargo Bank, N.A. and Morgan Stanley & Co. Accounts are insured by the Federal Deposit Insurance Company (FDIC) up to \$250,000, and by a combination of coverage provided by the Securities Investor Protection Corporation (SIPC), a non-profit organization created by an Act of Congress, and additional protection purchased from a private insurer by Morgan Stanley (the Excess Coverage). SIPC protects up to \$500,000 of each client's securities, of which up to \$100,000 may be uninvested cash.

Inventories - Inventories are stated at discounted hospital catalog prices. Inventory consists of medical supplies and equipment value at less than \$1,000 used to provide surgical care.

Investments - Investments in securities are represented at the market value of all priced positions provided by correspondent custodians, minus the unrealized gains or losses for the period.

Note 2 LEASE AGREEMENT

The Corporation entered into an Office Space Lease for a period of five-years on August 18, 2008. Note that \$12,733 was paid as a “Rent Guarantee” toward the last six months of the contract. This agreement calls for monthly lease payments of \$1,745.94 for the first 12 months starting on October 1, 2008, \$1,833.23 for the next 12 months, \$1,924.87 for the 12 months on the third year, \$2,021.14 for the 12 months on the fourth year, and \$2,122.12 for the final twelve months.
